YSR distributes land pattas to tribals

ADILABAD: Chief minister YS Rajasekhara Reddy said Congress Government had fulfilled the dreams of tribal legend Komaram Bheem who fought for forest rights against the Nizams.

Addressing a public meet at modi village of Kerameri mandal on Sunday, he said about 48,000 are going to be benefited under the Forest Rights Act and the Andhra Pradesh had become the first State to have taken the historic step by choosing to implement the Act by issuing pattas to tribals.

During his one-day visit, he laid foundation stone for several development works worth Rs 88.33 crore and distributed 9464.54 acres of land by issuing pattas to 2,520 beneficiaries under Forest Rights Act. He distributed bank loans of about Rs 70 crore to Self Help Groups under Pavala Vaddi sheme.

Contending that people in the area are suffering from lack of adequate drinking water during summer, Nirmal MLA Maheshwara Reddy appealed to him to ensure water supply from the deep areas of the Swarna project instead of periphery areas.
