He also shared the findings of the field experiences which were observed during the visit of the Secretary, Ministry of Tribal Affairs (MoTA) to Nuapada and Keonjhar districts during the month of February, 2014. Secretary, MoTA had expressed his deep concern over the improper maintenance of records at the Gram Panchayat Level and so, he laid stress upon its proper maintenances & up-keeping of the basic records and registers at the FRC, Panchayat, Sub-Divisional and District level as per the instructions conveyed vide letter no.6061/SSD dt.04.02.2009 of the Chief Secretary, Odisha addressed to all Collectors

Commissioner cum Secretary, ST & SC Dev. Department, Odisha in his address highlighted the basic intention in promulgating the Forest Rights Act & the historical injustice perpetuated upon the forest dwelling and dependent people, majority of whom are yet to be benefitted from the various developmental schemes of the Government. He urged upon the participating officers for prompt & effective implementation of the various provisions of the Act & Rules, which would help in providing an important asset i.e., forest land to the genuine & eligible occupier and help them in availing benefits from the plethora of schemes intended to support the income generating activities of those deprived lot. He laid stress upon the disposal of pending claims at various levels which accounts for 15% of the claims received and further advised to review & communicate the reasons of rejected claims, which accounts for 24% of the total claims received, so that the affected claimants can know the reasons and file appeal with the next statutory authorities. Nodal Officers were specifically requested to analyze the demography and socio-economic data of the last Census in order to identify the potential right holders and chalk out plan accordingly to address the inequality issue. He appreciated the process & procedure adopted by the Mayurbhanj district for determination and recognition of Forest Rights and urged for accomplishment of the recognition process within the time bound period keeping in view the overall spirit of the law.
